To Long Reach Music Department Parents:

The Long Reach High School Music Department is having our 4th annual "Pasta and Pops" concert on Tues., May 13th at 7 pm in the atrium. Along with various musical performances and a pasta dinner, we are hoping to have a silent auction; an event we need your help with. We are requesting your assistance in contacting particular businesses (see attached) to inquire about donations for the silent auction. Attached is a list of businesses that we are going to contact. Please indicate which business(es) you may already have some connection with and would like to contact. Please return the attached form by Mon., May 5th. We will then send home a letter confirming the particular business(es) you have requested to contact. We will also provide you with a letter from the LRHS Music Department stating that we are seeking donations for the "Pasta and Pops" concert that you may use for verification to the businesses. We would be thankful for any donations either in the form of gift certificates/coupons or money. Businesses will be recognized for their donations in the evening's program. Donations are needed by Thurs., May 8th.

If you are interested in assisting us contact one or more businesses, please return the form below by Mon., April 30th. We look forward to seeing you at the concert on Tues., May 13th in the atrium and, as always, your continued support of the Long Reach High School Music Department is greatly appreciated!

Sincerely

Chris Fyhr
Director of Orchestras

June Ella Pompei
Director of Vocal Music

Bill String
Director of Bands
