To Whom It May Concern:

This letter is to inform you that the Long Reach High School Music Department is having our fourth annual "Pasta and Pops" concert on Tues., May 13^h at 7 pm. This event is being set up to raise money for the Long Reach Music Department. Along with various musical performances and a multi-course pasta dinner, we are hoping to have a silent auction; an event we need your help with. We are requesting your assistance in contributing donations for the silent auction. We would be thankful for any donations either in the form of gift certificates/coupons or money. If you agree to donate a contribution to our silent auction your businesses will be recognized for their donations in the evening's program.

If you are interested in assisting us, please give your donations to your Long Reach representative by Wednesday, May 8th. Thank you for your time and consideration. Your support of the Long Reach High School Music Department is greatly appreciated!

Sincerely,

Chris Fyhr
Director of Orchestras

Bill String
Director of Bands

June Ella Pompei
Director of Vocal Music
